PROFILE

Adaptable, tech-savvy, and enthusiastic individual with a strong foundation in IT, web technologies, and customer service. I enjoy problem-solving, learning new skills, and working both independently and as part of a team to achieve goals. Known for being reliable, approachable, and hardworking, I bring clear communication skills, attention to detail, and the ability to adapt quickly in fast-paced environments. Whether supporting users with technical issues, contributing to smooth operational processes, or delivering excellent customer service, I approach each task with professionalism and a proactive attitude. I am eager to take on new challenges, continue developing my skills, and make a positive contribution to the continued success of any organisation.

SOFT SKILLS

- Problem Solving
- Excellent IT/Computer Skills (Microsoft 365 Suite)
- Proactive and Positive Attitude
- Communication & Collaborative Work
- Time Management & Self-Sufficiency
- Attention to Detail
- Resilience under Pressure and Time Constraints

EDUCATION

BSc (Hons) Web and Mobile Development, University of the West of Scotland, Paisley, Renfrewshire

September 2022 — July 2024

Cyber Security SCQF level 5, Our Lady's High School, Cumbernauld

August 2017 — May 2018

WORK & VOLUNTEER EXPERIENCE

Online Lister Volunteer at British Heart Foundation, Cumbernauld

January 2025 — April 2025

- Customer service experience (working the till, stocking merchandise, etc).
- Capturing and uploading photos of donated items that really showcase the products qualities.
- Writing informative and accurate descriptions of the items we are selling including details about condition, measurements and any defects or flaws.
- Ensuring the items is placed in the correct selling category to make it easy for customers to find just what they are looking for.

Web Design Volunteer at MUGSTOCK LIMITED, Cumbernauld

April 2025 — Present

- A Self-directed volunteer role demonstrating strong initiative and ability to work independently with minimal supervision.

- Creating websites for “*TRASH Music Projects – charity providing free music workshops for young people in Cumbernauld*” and “*Cumbernauld Alternative Network (CAN) – community interest company running creative projects, mainly around sewing and upcycling.*”

Web Design and Development Assistant at Reshape HR LTD, Glasgow

July 2021 — January 2022

- **Led a full-scale redesign of the HR with EA WordPress.org website** to align with the company’s re-branding as *Reshape HR Ltd*, delivering a refreshed digital presence that reflected the organisation’s evolving identity.
- **Researched, selected, and configured high-performance WordPress plugins**, significantly improving site speed, functionality, and user engagement.
- **Reviewed and enhanced existing website content and design choices**, ensuring accuracy, clarity, and alignment with brand tone—resulting in a more polished and professional web presence.
- **Custom CSS styling to revamp and elevate the overall user experience**, improving visual consistency, readability and ease of navigation across all devices and browsers.
- **Provided versatile administrative support**, including liaising with hosting providers, theme developers, and plugin support teams to resolve technical issues and ensure smooth website operation.
- **Reviewed and updated the site’s Terms and Conditions and Privacy Policy**, ensuring legal compliance and clarity for all users.
- **Identified and resolved a long-standing issue with slow page load times** by tracing the root cause to the hosting provider, rather than plugin or image-related factors. Conducted a cost-benefit analysis of alternative hosting, recommended a more efficient and budget friendly provider, and oversaw a smooth migration. The result was a marked improvement in website performance, user experience, and a reduction in other web-related expenses.
